Florist & Bridal 🌸

Jacqueline Ng Jia Chyi

🌸 OPEN TO OPPORTUNITIES 💎

Jacqueline Ng Jia Chyi

A 22-year-old Artificial Intelligence student at UTeM who thrives at the crossroads of technology and creativity. Whether writing code, designing a bouquet, or supporting someone on their most important day — I give everything my whole heart.

WHO I AM

Where Technology Meets Creativity

I'm Jacqueline — an Artificial Intelligence student at UTeM with a natural curiosity for how technology shapes the world. Beyond the classroom, I channel that same creativity into running my own floral workshop, helping brides find their perfect gown, and building meaningful customer experiences.
